1. Why does the spider build a web in a tin can?
2. Listen closely to the sound effects. Can you identify how each one might have been made?
3. What understanding do you think the makers of this video want us to reach in the end?

Answers are Better When You Can Tell us WHY

### Challenges and Extension Ideas:

- Make your own sound effects using items around the classroom or around your house.
- See if friends can guess what the sound effect is that you've made.
- Write a poem using onomatopoeia. Record the poem using sound effects.
