1. What parts of this video make you smile?
2. How do you know the Wishgranter is sometimes bored with his job? Why do you think wishes for money are particularly boring?
3. You get one wish! But it can't be for yourself. What is it?

Answers are Better When You Can Tell us WHY

### Challenges and Extension Ideas:

- Create a 3D model of an emergency wish granting device.
- Change the model into a prototype by making working parts.
- Tell a story of how the device made a wish come true (or failed).
