

How an Igloo Keeps You Warm – It's OK to be Smart

<https://www.youtube.com/watch?v=1L7EI0vKVuU>

1. Use a necklace chain to explain *catenary*.
2. Explain convection, conduction, or radiation in your own words.
3. Animals survive in ingenious ways in difficult circumstances. Research ways animals seem creative and adaptive to their environments.

Answers are Better When You Can Tell us WHY

Challenges and Extension Ideas:

- Use sugar cubes and cake frosting to make a model igloo.
- Use the model igloo in a diorama that show other important features of an arctic landscape or community.
