1. How could you know the setting is Washington DC without the words printed at the beginning?
2. Look up *foreboding*. Why do we get a sense of *foreboding* in the opening of this video—before the spy even meets the pigeon?
3. Many times adventure movies end with everything being all right in the end, even though there would be problems in reality. This video does not end that way. Why do other videos end with everything OK?

Answers are Better When You Can Tell us WHY

### Challenges and Extension Ideas:

- Develop a secret spy code.
- Hide a message and leave clues for a friend on how to find the message and translate your secret code.

Teachers: Like to try a full GATE Unit—a very cool unit--on Spies?
