1. Do you think they had to film any of these scenes more than once to get them right?
2. Look up the scientific definition of balance and explain it in your own words.
3. What do you think is Danny's most important quality which allows him to perform these amazing feats on a bicycle?

Answers are Better When You Can Tell us WHY

### Challenges and Extension Ideas:

- Create an indoor or backyard “balancing” obstacle course. Be safe!
- Create a video in which you or a friend makes your way through the course.
- Add music to the video using a video editing app such as iMovie.
